## **PROFESSIONAL EXPERIENCE**

2018 July – Present.   **Turning Point Rehabilitation Consulting, Inc.**, West Vancouver, B.C  
**Occupational Therapist**  
Private practice consultation, assessment, and community-based rehabilitation for individuals with neurological injury or delay and complex care needs.  
Provide cognitive rehabilitation programs, hospital discharge, rehabilitation management and return to work planning.  
Develop defensible cost of future care reports based on medical foundation, a functional home assessment and evidenced based practice guidelines for individuals with complex and/or chronic health needs.

2012 May – Present.   **Abilities Neurological Rehabilitation**, Fraser Valley B.C  
**Occupational Therapist**  
Work collaboratively with clients, their families and other team members to set goals and to develop treatment programs that support these goals. Assessment, Intervention, and Consultation for a population of children and adults with Neurologic Developmental Injury or Delay (such as ASD, brain injury, chromosomal abnormality, SCI). Prescribe equipment and write funding letters. Write assessment reports for physicians or lawyers when necessary.

2011 – 2012

**Fraser Valley Child Development Centre**, Chilliwack B.C

**Early Intervention Occupational Therapist**

Work collaboratively with clients, their families and other team members to set goals and develop treatment programs. Assessment, intervention, and consultation for a population of children ages 0-5 with Neurologic Developmental Delays in the areas of fine motor, self-care, sensory regulation, feeding, and seating and positioning. Facilitate groups and Parent and Community Information Workshops. Provide consultation to staff of Child and Youth Mental Health (CYMH), and provide assessment, intervention, and consultation to CYMH clients, ages 0-19.
